
WOOL IMPACT

Non-woven Research Organisations + Resources

Universities

University of Alberta, Canada

<https://www.ualberta.ca/en/natural-applied-sciences/index.html>

<https://lipid.ualberta.ca/research/>

known for their excellent capabilities around resins

Center for Bioplastics and Biocomposites, collaboration between multiple universities, USA

<https://www.cb2center.org/about>

<https://www.cb2center.org/research-roadmap>

South Dakota Mines – and Engineering, Science and Technology University, USA

Composites and Polymer Engineering (CAPE) Laboratory

<https://www.sdsmt.edu/research-innovation/research-facilities/cape/index.html>

University of Bremen, Germany

Center for Environmental Research and Sustainable Technology (UFT)

<https://www.uni-bremen.de/en/uft>

Leipzig University, Germany

Research and Transfer Center for Bioactive Matter

<https://research.uni-leipzig.de/bact/de/>

Department of Microbiology and Bioprocess Technology

<https://www.p4sb.eu/partners/detail/universitaet-leipzig-ulei.html>

Deacon University, Australia

The Institute for Frontier Materials

<https://ifm.deakin.edu.au/research/fibres-and-textiles/>

University of Leeds, UK

Institute of Textiles and Colour

<https://www.leeds.ac.uk/leeds-institute-textiles-colour>

Kemnitz University of Technology, Germany

<https://www.tu-chemnitz.de/tu/pressestelle/aktuell/11635/en>

WOOL IMPACT

Commercial Research Organisations

Nonwovens Innovation & Research Institute Ltd (NIRI), Leeds, UK

A world leading facility

<https://www.nirigroup.com/>

Scroll to the bottom of their Home Page to sign up for their newsletter

Südwebs, Germany

Südwolle Group Innovation Hub (worldwide leader of worsted yarn spinning)

[Südhttps://suedwebs.com](https://suedwebs.com)

CETI Transformative Textiles, Tourcoing, France

Private Centre of Applied Research and Innovation for a sustainable textile industry

<https://www.ceti.com>

Sector / Advocacy Organisations

Association of the Non-Woven Fabrics Industry (INDA), USA

<https://www.inda.org/>

EDANA – leading global non-wovens association

<https://www.edana.org/about-us/who-we-are>

An example of a non-woven campaign they produced that includes some video talks

[.https://nonwovensyousay.eu/](https://nonwovensyousay.eu/)

Note – EDANA and INDA collaborate to produce Technical Nonwoven Standard Procedures.

<https://www.edana.org/how-we-take-action/international-standards>

Online news platforms

<https://www.innovationintextiles.com/>

<https://www.technicaltextile.net/>

Conferences and Events

INDEX Nonwovens – “the world’s leading non-wovens exhibition”

<https://www.indexnonwovens.com/>

Other resources

ResearchGate.net – online access to science

<https://www.researchgate.net/>

Victor Chesky - wool industry journalist
